### Project

Field(s)	Music
Description	<p><b>The purpose of the project is an active inclusion of integrated immigrants living in the Czech Republic, in Germany and in Italy. Show the young people good practical examples.</b></p> <p><b>In addition we propose a mutual understanding of different cultures, the occasion, availability, understanding and reception of migrants by society.</b></p> <p>Project activities consist of 4 different concert performances; one concert will take place in Germany, one in Italy and two concerts in the Czech Republic. Members of musical performances are people who have an experience of migration and integration into new society. Relating to these concerts, lectures/discussions on MIGRATION, ESCAPE, WAR, FREEDOM theme will take place in each country. There will also be photo exhibitions in all partner's countries on this pressing topic of nowadays.</p>
