

## Partner search for Europe Creative - Culture consortium

Company	<b>Alcoléa &amp; Cie</b>
Who are we ?	Since 2000, <b>Alcoléa &amp; cie</b> brings together an inventive and reactive team of artists, technicians and visual artists, who work on the realization of spectacular shows. The company is specialized in multidisciplinary shows and shows for young public. The domains of competence: music, sound, light, movie scenes, animated movies and fix images, texts and plastic installations. Thanks to its solid experience centred on transmission and sharing, <b>Alcoléa &amp; cie</b> develops also workshops, classroom presentations and masterclasses, within mixed public of children, disabled, elderly and all audiences, hinging on : image, sound, music, writing and literacy. <b>Alcoléa &amp; Cie</b> has possible partnerships in Austria, United Kingdom, Netherlands and Greece.
What is our project idea?	Creation of innovative approach for culture diffusion within mixed public of children, disabled people and elderly. Integrating digital content for better understanding and modern approach.
What are we looking for?	<b>Alcoléa &amp; Cie</b> would be highly interested to participate in <b>Europe Creative</b> program via <b>Culture cooperation scheme</b> and thus is looking for a consortium to join. Also looking for coordinator to the project.
