### Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>performing arts</i>
Description or summary of the proposed project	<i>Proposed project is based on anniversary composers, in particular Franz Schubert whose works have marked the history of music. Franz Schubert's enthusiasm for poetry led him to compose over 600 songs and set works by more than 150 poets. His lieder are notable for their union of music and poetry to create a dramatic whole. Poetry set to music by Franz Schubert to a greater extent has yet to be translated into Croatian. During his short lifetime, Franz Schubert contributed to a wide variety of musical genres, from intimate songs and dances to ambitious chamber pieces, symphonies, and operas. Zagreb Soloists regularly perform Schubert's compositions for string orchestra, and in 2022 Zagreb Soloists will play a world-first performance of Schubert's Symphony No. 5, arranged by their concert master Sreten Krstić. Zagreb Soloists also plan to arrange Schubert's song cycles for string ensemble and voice, still unperformed in that kind of arrangement in the world.</i>
