Aims and activities of the organisation	<p>Timelinefy is a digital platform that works for cultural mediation through interactive timelines. It helps people and institutions to tell stories through an intuitive and innovative environment. It provides a better understanding and visualization of the curated content, the unravelling of unforeseen connections between historical events and more.</p> <p>We believe in the chronological and visual presentation of events as a powerful tool for data analysis, capable of assisting learning and teaching processes. Timelinefy allows institutions such as museums, galleries, universities and cultural associations to showcase their archives, collections and programmes providing in-depth experience to a wide spectrum of audiences.</p> <p>A wide range of information can be shaped into a timeline: exhibitions, catalogues, archive research/inventory, cultural mediation, educational and learning activities, educational content. The possibilities and results are countless.</p> <p>The tool features a number of different resources that range from text, image, video, audio to links and attached files. In order to</p>

	<p>meet the intended visual image and design, it also presents several customized possibilities.</p> <p>Our goal is to participate in different kinds of projects, meeting the Cultural Heritage field needs and expectations towards digital solutions. As an ever-evolving tool, we are open to accepting challenges and designing together the best solution. How could we join our strengths in a project collaboration?</p>
