Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	<i>Cross-sectoral culture and creativity, Web Publishing, Innovative Digital Tools for the artistic field, ...</i>
Description or summary of the proposed project	<p>The Creative Room European Alliance (CREA) project aims to offer a European alternative in the sector of web publishing platforms, called Panodyssey. We intend to federate European actors in order to offer a digital solution in line with European standards and to facilitate cross-border cooperation between authors and content creators.</p> <p>The CREA project has multiple objectives: creating new opportunities for the cultural and creative sectors, designing innovative tools for content creation, access, distribution, and promotion across cultural and creative sectors, redesigning structures and practices to guarantee the protection of users and their rights, especially intellectual property rights and fair pay, ...</p> <p>In order to achieve these goals, the CREA project will focus on developing the Panodyssey Platform and its web services, including the Smart Contract IP. It will be designed to protect creators' content and industrialize collaborations between journalists, authors and independent creators.</p> <p>The CREA project addresses a plurality of European actors and industry leaders with converging interests, for a cross-sectoral collaboration.</p>
