Proposed Creative Europe project – to which project are you looking for partners?

Sector or field	Digital arts, Artists' mobility, Festivals, Multimedia, Music, Singing, Interdisciplinary projects, Visual arts, Performative arts, Dance, Theatre
Description or summary of the proposed project	<p>The aim of the project is to establish, develop and strengthen cooperation between professional and amateur artists and creators from the three partner countries. Those participants will represent different age and culture groups and coming from various environments, as the purpose of the initiative is to bring together different generations and groups of people to connect them, so they can learn from each other, inspire one another, and build something together from the scratch. The goal is to promote and strengthen social integration in through culture and art, as well as through intercultural dialogue. Within the framework of the project, the artists will be able to polish their skills, share best practices and work on artistic creations together through a series of workshops. The culmination of these</p>

	efforts will be the creation of three art shows, one in each participating country, which we will organise jointly - these will be events combining different forms of art and carrying a message to the audience, providing inspiration, encouraging to reflection, and heartening making positive changes in their lives - to stop by, be here and now and appreciate small moments we share with other people.
