|---|---|
| Description or summary of the proposed project | We want to create an online textile design archive entitled A+B Archive.It will initially digitize, promote and distribute the textile archives of European artists Argüello and Brigitta Bogenschütz from 1970 to 2010.They collaborated with leading names in haute couture and for 25 years designed patterns for the Chacok brand. A+B are part of our european textile cultural Heritage.<br>Our aim is to:<br>- reveal to the public the richness of a unique project at the crossroads of textile design and contemporary art, increase its visibility, open it up to a new professional, educational and entertaining public.<br>-bring together a network of institutions, professionals, industrialists academics and enthusiasts who share their experiences and best practices in the field of digitization, open access, co-creation, reuse and valorization of textile heritage resources.<br>-extend our project to a broader, richer digital database, which can be consulted, shared and reused freely by all. |
